TEXAS WESLEYAN UNIVERSITY SELECTS VISION COMMERCIAL REAL ESTATE

FORT WORTH, TX - Thursday, June 16, 2016 – Vision Commercial Real Estate is pleased to announce Texas Wesleyan University selected the company to provide broker services for three of the University's properties. The spaces, located at 3016 East Rosedale Street, comprise a total of 9,579 sf directly across from the University.

The three properties include a 3,552 sf end cap and two restaurant or retail spaces of 4,100 sf and 1,927 sf. The spaces are part of a center with Subway and the University bookstore, and are also a part of the larger Rosedale Renaissance project, completed last year. "Vision Commercial Real Estate is excited to work alongside Texas Wesleyan to bring quality restaurants and services to the campus. Our goal is to help serve the students and to continue the Rosedale Renaissance project and revitalization of the neighborhood," said Scott Lowe, Partner at Vision Commercial Real Estate.

Texas Wesleyan University was founded in 1890 and is committed to an intentionally small learning atmosphere for its undergraduate and graduate students. U.S. News & World Report has ranked Texas Wesleyan in the #1 tier of regional universities for the last six years.
